Galaxy Z Flip 5

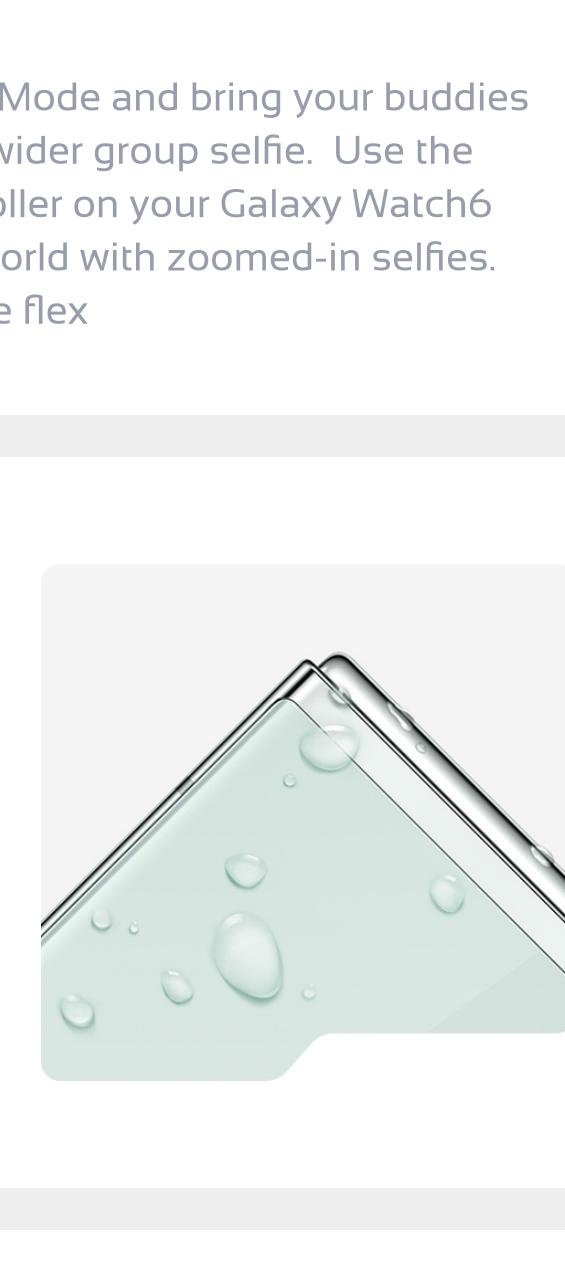

One size fits all pockets

Our most compact Galaxy Z Flip yet folds down tight to slide as easily into your pocket as it does into your hands.

FlexCam selfies. Even when closed

Launch the camera app with the Flex Window shortcut to capture the moment. Snap photos, tweak the settings and retake, all without ever opening your phone.

Unfold to Flex Mode and bring your buddies in frame for a wider group selfie. Use the Camera Controller on your Galaxy Watch6 and stun the world with zoomed-in selfies. It's the ultimate flex

Durable to keep you flipping

Galaxy Z Flip5 stays tough. And with the added support of Samsung Care+, take it with you without worrying about whatever slip-ups may happen along the way.

Special edition colors that evoke urban nature

Add an extra pop of personality to your device with special urban colors you can only find on Samsung.com: Gray, Blue, and Green.

All-day battery life

Backed up by a powerful processor, this 3700mAh (typical) battery is even more efficient, stretching out the charge so you can keep binging movies or gaming late into the night. Need extra juice? Enable low power mode to keep the fun flowing.

Front Camera selfies. Lookin' sharp

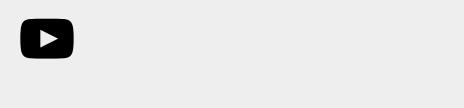

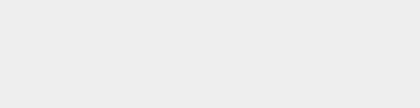

Unfolding to the Front Camera gives your selfie skills a major upgrade. Forget the days of hazy front-facing shots. Super Clear Lens keeps photos crisp and even reduces flare from bright lights behind you.

Capture the night with Nightography

Just swipe the Camera icon on the Flex Window and start recording with FlexCam. And keep the camera rolling, because with 4K Nightography video at 60 fps, losing sunlight doesn't mean losing out on quality.
